**GUARANTEE:** The benefits conferred by this guarantee are in addition to all other rights and remedies in respect of the product which the purchaser has under *The Trade Practices Act* 1974 (Cth) and similar State and Territory laws.

Argo Engineering Pty Limited ("Argo") guarantees the quality of the steel used in the manufacture of the rods and the dimensional size detailed in the herein order form. Argo has no control over the assembly of the connecting rods in an engine and all Argo rods should be installed **ONLY** by a professional engine builder who is experienced in assembling high performance engines.

If Argo receives notice, within 30 days of delivery, that this product is out of tolerance or not as specified on the herein order form, Argo shall at its option repair or replace the product proven to be out of tolerance or not as specified in the herein order form. If Argo is unable to repair or replace any such returned product the purchaser shall be entitled to a refund of the purchase price.
